PREFACE

See no evil, hear no evil, speak no evil and do no evil because it is all in the Grand Design. So this ebook is entitled 'Theory of Evil Dispensation. It could equally well have been entitled 'The Theory of Evil Disposition. But it is Dispensation because it is God-given. As to why: that is food for thought.

Creating an Intersection of Art and Technology with IA's AIR Program

Last November, Swilk, an Oakland-based artist, unveiled an interactive weaving exhibit at the Internet Archive as their final showcase in the Artist in Residence Program. Blending textiles and technology to explore the internet's role during the HIV/AIDS crisis, their mechanized weavings pulsed and breathed in response to user interactions with archived queer health resources. Titled *When you're looking for something, it's important to know who was in love*, the piece reflects Swilk's personal connection to online history as a queer person seeking truth and community. To learn more about the project and Internet Archive's Artist in Residence program, see below.

Efforts to Prevent Vanishing Government Web Pages Continue

After the presidential inauguration in January, many federal web pages, including information about climate change, reproductive health, gender identity and sexual orientation have been restricted, altered or completely taken down. Thanks to the Wayback Machine, many of these pages still exist in their original context in the Internet Archive—freely accessible to the public. Hello Peter

Sorry for the delay in replying to your email.

I think one of the lessons that I have learnt on The Nature of Evil that I have been theorising on for years is a slight variation of 'See No Evil, Hear no Evil, Talk no Evil and Do no Evil; in relation to the following email that you were copied into

ToKentPoliceccPeterCookStripeHOCPetitionsCourtofAppeal(REMIT OF RECENT INVESTIGATIONS RECORDED BY KENT POLICE2)25Mar2025. docx

Another outstanding investigation is attached: ToKentPolice(Failure Notice2_JessicaDaCostaGLDMalfacancelInPublicOfficeImmediatInvestigationNeeded)22Mar2025.docx

Your lies that you asked me not to make further donations before I made the second donation of £25 is what I am referring to, as is your insinuation that my Party is a fabrication when it is on business as usual modus operandi of The Conservative Libertarian Publications Limited.

When I say see no evil, speak no evil and do no evil and hear no evil, I turned over a new leaf this evening for we are all God's children on this Earth and we should regard all interactions and activities as part of His/Her Grand Design for the planet through history and into the future.

I believe when reflecting on this matter, you will see where I am coming from.

Yours sincerely

Hello Sap

I do not wish to be unsubscribed from GoFundMe following the clarification that you have provided; but would like the £50 (not £25 original donation) to be refunded now. This is because Peter Cook did not acknowledge my email as attached ToPeterCook(No News is Good News Peter_UrgencyImmediate)23Mar2025.docx; which was a vital part of the proceedings at the Court of Appeal. I needed Peter Cook to be a Member of Conservative Libertarians (UK) to progress the attempt by the United Kingdom to Rejoin the European Union; as set out in the link: <https://www.theconservativelibertariansociety.com/post/18-march-2025-modus-operandi-of-conservative-libertarians>

I can understand your concern. I'm sorry that you had to contact us about this issue.

If we unsubscribe you, then you will be unsubscribed from all marketing emails. Would you like me to do that?

Once a refund is issued it cannot be reversed. Can you confirm that you would like a refund for your donation of 25 - GBP along with the tip of 3.5 - GBP made to the following fundraiser?

<https://www.gofundme.com/f/get-brexit-gone>

With your confirmation, I can issue that refund for you, and you will receive 100% of your money back within 3-7 business days. The organizer will receive a message to let them know about the refund.

I will keep an eye out for your response.

Financial Ombudsman

Dear Sirs

In connection with my Complaints against six Banks operating in the United Kingdom as linked here: <https://www.knowledgeassessmentanddissemination.com/post/press-release-concerning-the-financial-ombudsman-service> investigative journalism has shown evidence as attached:

(a) FrPAYPAL(Choose how you pay for any moment)13Mar2025.docx

(b) FrTideBank(Re_ Your new statement is ready to view_OpenNewChatonTideApp)17Mar2025.docx

(c) FrStripeccCivilAppealsRegistry(MoreGobbledtgoon)19Mar2025.docx

that the Court of Appeal, the Central London County Court and Medway County Court, together with Medway Magistrates Court and Maidstone Crown Court have systematically operated criminal conspiracy against me to deprive me of my just rights in the United Kingdom as stated in the Annexe document that I submitted to the Courts concerned: ANNEXE-THE NATURE OF EVIL (PARTICULARS OF DAMAGES AND COMPENSATION FROM THE CLAIMANT IN J00ME572 OF MEDWAY COUNTY COURT).pdf. The specific case numbers under litigation were E35YM660, J00ME572 and CA-2023-000750,

The Financial Ombudsman has already been submitted a dossier on Santander Bank, but the criminal conspiracy that it engaged in is self-explanatory from an examination of the linked material: <https://www.theconservativelibertariansociety.com/post/update-on-the-embezzlement-of-the-funds-of-the-conservative-libertarian-society>

Kent Police were equally part of the criminal conspiracy against me as attached
ToKentPolice(Crime Reference Number CAD 15-0362_WebsiteValidation)16Mar2025.docx

I am copying this to my Consultant Psychiatrist through KMPT PALS for I have not received a revised appointment face to face in place of the one originally fixed for 10.45 am 3 March 2025, no doubt for the same aspect of the criminal conspiracy organised by the Monarchical Establishment on me over the past 27 years.

What does one do with nuisance phone calls like the one I have been plagued by on the Mobile Phone and Landline Phone that I repeatedly reported to Kent Police, but it does not stop:

'Landline Phone rang at 10.51 am and stopped as if some message was being delivered to me or my family, or may be it is being delusional as 38 Degrees and Peter Cook say to consider that the

Summary of Claim Amount:

The total amount claimed from United Kingdom Treasury for damages listed above is the tip of the iceberg: with the continued terrorism suffered by the Claimant the monetary value of the compensation Claim cannot be measured, but the Claimant now submits that £500 million is justified.

Good news – a better interest rate awaits

|

Hi Shantanu,

Whatever you're saving towards, we want to help you reach that moment a little quicker.

The new Barclays Reward Saver account is a great way to make your savings work harder, giving you 2.41% AER/2.38% gross interest (variable)¹ on your savings for every month you don't touch your money - that's more than you're currently earning on your Everyday Saver account.

Your money is always instantly accessible, and if you do need to dip into your savings you'll get 0.66% AER/gross interest (variable) for that month.

Start earning more interest today by moving some of your savings into a Reward Saver.

The interest rate you'll receive for each month depends on whether you've made any withdrawals from your Reward Saver account since you opened it (in the case of the first month) or since interest was last paid into the account.

Can Barclays change the interest rate?

Yes, rates are variable.

We can increase or decrease the interest rates for any of the reasons set out in your Customer Agreement (which includes the 'Barclays and you: terms and conditions for personal customers' and your Additional Terms).

For more details on when we might change the interest rates and the notice we'll give you, please read your Customer Agreement, including the additional terms. You can get this from your usual contact or read it online at [barclays.co.uk/rca](https://www.barclays.co.uk/rca)

Can I withdraw money?

Yes. Thank you for reporting your concerns to us about solicitors.

If these are new concerns, we will now open a case file and it will be allocated to a member of our Assessment Team, who will aim to contact you within the next 50-55 working days or sooner if a problem requires our immediate response. If the information provided relates to concerns you have already raised with us, this will be considered alongside information previously provided and we will tell you if we need to take action.

If we cannot help with your concerns, we will point you in the right direction.

Are we the right organisation?

We want you to raise your concern with the right people. Sometimes that is us. But other organisations may be best placed to help.

For example, if you have concerns about the professional service you have received from your solicitor, the right organisation to help is the Legal Ombudsman. Unlike us, it has powers to tell your solicitor to put things right, to pay compensation to you or reduce your solicitor's bill if it finds there has been poor service. More information about the Legal Ombudsman and how to make a complaint can be found at <https://www.legalombudsman.org.uk/>

For information on how we handle your personal data, see our privacy notice.

Legal Ombudsman

Thank you for your email

We are currently dealing with a high volume of enquiries.

If you already have a case with us, we will add your email to the file. A colleague will be in touch with you just as soon as they review your email.

If you are contacting us for the first time about a complaint, please be aware that it may take around 10 weeks before you hear from us, and at that stage, we may need to ask you for more information. We thank you for your patience and would like to reassure you that our teams are working very hard to review and respond to your email as quickly as possible.

Once we have confirmed that we have all the information we need, we will write to you to let you know that we have passed your case for formal assessment by an investigator.

Please be aware that there is a considerable wait for a case to be assessed by an investigator, which varies depending on the complexity of the case. More information about the wait times will be included in the letter we send to you at the time the case is added to a queue and can also be found on our website.

If you have concerns about the wait times and feel they may detrimentally impact on you or your case, for example, because of a financial hardship or serious health concern, please let us know.

Have you complained to your service provider?

We can only investigate a complaint once the service provider has had the chance to investigate it and respond. This means you need to make a formal complaint to them first. You can find further information on our website about how to complain to your service provider, including a template complaint letter.

How to complain to us

If you have already complained to your service provider and have not received a satisfactory response, then we might be able to help. The easiest way to check if we can help you is to use our complaint checker tool on our website. Alternatively, you can send us a completed complaint form, which is available to download from our website.

We will need your completed complaint form, along with a copy of your complaint to the service provider and copies of any responses you have received from them. Please only send us copies and not original documents.

You should be aware that we are also unable to accept documents from an online document storage facility such as Dropbox.

Do not send us any other information until we request it.

If you need to write to us, our address is:

Legal Ombudsman

PO Box 6167

SLOUGH

SL1 0EH

Our telephone number is 0300 555 0333. We are open from 9am to 4pm from Monday to Friday.

Calls may be recorded and used for training and monitoring purposes.

Have we let you know we have passed your case for assessment?

If we have already let you know your case is awaiting assessment by an investigator, you do not need to do anything further at this stage. An investigator will contact you when they start working on the complaint. Please note that you may be waiting a considerable time before your case will be passed to an investigator. The letter we have sent to you should provide you with more specific information about these timescales. We will provide updates every three months.

Supporting you in making a complaint

You can find out more about how we work and how we can help you by visiting our website (www.legalombudsman.org.uk). Here you will find a copy of our complaint form and information about how to complain, along with useful factsheets.

We are committed to making sure the way we work does not put you at a disadvantage so in addition to our legal duty to provide reasonable adjustments for disabled people, if you need

any help or support, please tell us about it and we will do our best to meet your needs. We also understand that your circumstances might change, along with the support that you need, so please let us know at any time and we will consider your request.

If you are requesting personal data under Freedom of Information or the Environmental Information Regulations or would like a copy of personal data under Data Protection please email infosec@legalombudsman.org.uk

Hello Peter

Sorry for the delay in replying to your email.

I think one of the lessons that I have learnt on The Nature of Evil that I have been theorising on for years is a slight variation of 'See No Evil, Hear no Evil, Talk no Evil and Do no Evil; in relation to the following email that you were copied into

ToKentPoliceccPeterCookStripeHOCPetitionsCourtOfAppeal(REMIT OF RECENT INVESTIGATIONS RECORDED BY KENT POLICE2)25Mar2025. docx

Another outstanding investigation is attached: ToKentPolice(Failure Notice2_JessicaDaCostaGLDMalfacancelInPublicOfficeImmediateInvestigationNeeded)22Mar2025.docx

Your lies that you asked me not to make further donations before I made the second donation of £50 is what I am referring to, as is your insinuation that my Party is a fabrication when it is on business as usual modus operandi of The Conservative Libertarian Publications Limited.

When I say see no evil, speak no evil and do no evil and hear no evil, I turned over a new leaf this evening for we are all God's children on this Earth and we should regard all interactions and activities as part of His/Her Grand Design for the planet through history and into the future.

I believe when reflect on this matter, you will see where I am coming from.

Yours sincerely

Hello Sap

I do not wish to be unsubscribed from GoFundMe following the clarification that you have provided; but would like the £50 (not £25 original donation) to be refunded now. This is because Peter Cook did not acknowledge my email as attached ToPeterCook(No News is Good News Peter_UrgencyImmediate)23Mar2025.docx; which was a vital part of the proceedings at the Court of Appeal. I needed Peter Cook to be a Member of Conservative Libertarians (UK) to progress the attempt by the United Kingdom to Rejoin the European Union; as set out in the link: <https://www.theconservativelibertariansociety.com/post/18-march-2025-modus-operandi-of-conservative-libertarians>

Hi Shantanu,

This is Sap from the Customer Care team and I will be happy to help you out. I can understand your concern. I'm sorry that you had to contact us about this issue. If we unsubscribe you, then you will be unsubscribed from all marketing emails. Would you like me to do that?

Once a refund is issued it cannot be reversed. Can you confirm that you would like a refund for your donation of 25 - GBP along with the tip of 3.5 - GBP made to the following fundraiser?

<https://www.gofundme.com/f/get-brexit-gone>

With your confirmation, I can issue that refund for you, and you will receive 100% of your money back within 3-7 business days. The organizer will receive a message to let them know about the refund.

I will keep an eye out for your response.

Best regards,

Sap

Hello, I usually try and find people to connect with for a given objective by fishing in the dark to save on time so go about this through a random selection of individuals. This is to assist my yoga process each step of the way through what I defined as satya-advaita yoga. I do however feel a sense of responsibility to initially respond back to an accepted-invitation with an acknowledgment-greeting and this is the purpose of saying 'Hello' to you. Please bear this in mind before interacting with me with a conversation.

Welcome Pack to my Connections in LinkedIn

There are so many things wrong with the deeply polarised world in terms of the values that governments enunciate with their policies, and over the past 55 years I have made a study of this with particular reference to the United Kingdom where I lived, extending it to other countries with diverse ecological and religious attributes. There has been no one putting forward a commonsense unified view of how humanity could be brought together with a shared outlook.

No one has been knowledgeable enough to do that. Knowledge acquisition is a yogic endeavour that takes the whole of one's life to get to the Reality of our existence on this planet.

Today I am seeking to find like-minded people not just in the United Kingdom but also globally who share my vision and would like to get together in an attempt to bring truth, justice and democracy into the Constitutions of their countries.

(a) Our political party in the United Kingdom, named 'Conservative Libertarians (UK)' is located online at: <https://app.joinit.com/o/conservative-libertarians/> and this website is available for citizens and residents of the United Kingdom. We carry out this mission entirely lawfully within the Constitution of the United Kingdom that we have already tested for all our activities before embarking on this mission of proactive actions knowing that we will not violate the law which is of fundamental importance for peaceful living. It will be up to Conservative Libertarians around the world to determine the laws of their own countries in terms of their existing Constitutions so that they can also undertake their own missions of prosperity, peace and security.

In the United Kingdom at present we need 15 members to act as officials for our Party to enable us to complete our registration with the Electoral Commission of the United Kingdom as Conservative Libertarians (UK). If you are able and willing to assist us, please contact me.

(b) For those people of other countries who share the philosophy of Conservative Libertarians you may like to list yourselves in the Directory for Conservative Libertarians (Global) that is established online at <https://knowledgefoundersunited.com/>.

The Court of a Appeal much like the same over here is run on the same basis as a committee! Along with that framework they take into consideration the feelings of the public, how will the public feel if they handed down an answer to a problem. It is a joke and has always been treated as such!

Your comments and encouragement are appreciated and apologies for distrusting your words of advice that the Court of Appeal in New Zealand and the United Kingdom and perhaps several other Commonwealth countries are run as a committee. Unfortunately there is no information here in the United Kingdom for the public to know the composition of the Committee at the Court of Appeal and we also do not know how the lower Courts function in any great detail. Having assessed the progress of my litgations and private prosecutions over a 26 year period, I feel that the State needs to be reformed to a Written Constitution that will serve the public and not

the other way round totally. It should be a two-way thing. Just saying. I am not really bothered for structures are deeply ingrained in society. I am simply a truth seeker and nothing more.

I have a very dimension view of Court of Appeal as I have a friend being locked up for 25 years for something he never did. It has been proven that he didn't do it and after his 5th hearing this week they still won't let him go because he shows no remorse. Why should there be remorse if he has been pleading not guilty for 25 years?

Contrary to popular belief, offshore hosting is often cost-effective. Many offshore providers cheap offshore vps offer competitive pricing, tax benefits, and flexible payment options, including cryptocurrency for additional anonymity. Businesses that wish to minimize operational costs while maintaining high performance find offshore hosting to be a financially viable option.

Hello there

I have looked for an unsubscribe button specifically on the theme of this GoFundMe Campaign, but could not find such a provision in the emails that you have sent me.

I made a mistake in donating £25 to the campaign and wondered if there was any way it could be refunded to me for not only have I developed a very poor opinion of Peter Cook to be marshalling political affairs in the country, the subject of rejoining the European Union is not on the list of priorities for the country.

I am far more interested in 'THE QUEST FOR MATERIAL JUSTICE-digital.pdf. on which it is evident that Peter Cook and I do not see eye to eye since I first got to know him in June 2024.

By ignoring my submissions since he has shown that he does not have my good interests.

So I am entitled to a refund legally.

Wow - we are getting replies from our letter and book from across the board in Parliament - Diane Abbott, Ben Lake (Plaid Cymru) and Tom Tugendhat ... as well as Lib Dem Lords and Michael Heseltine. We have mailed 300 books to Parliament. With your help we will be able to finish the job ... Coming up, I've been asked if we can form an organisation to work with the Labour leadership directly in the next couple of months. We'll need to assemble a group of around 20 people from different walks of life. Suggestions welcome. If you wish to mail your MP, you may use our latest piece here

Sep,

As I have explained, Shantanu donated £25 ages ago, which was spent on the campaign. He then complained. After that he has once again donated after I asked him NOT to do that.

I think your suggestion of unsubcription is the best course of action as this will prevent him from making further donations.

Hello Sap

I do not wish to be unsubscribed from GoFundMe following the clarification that you have provided; but would like the £50 (not £25 original donation) to be refunded now. This is because Peter Cook did not acknowledge my email as attached ToPeterCook(No News is Good News Peter_UrgencyImmediate)23Mar2025.docx; which was a vital part of the proceedings at the Court of Appeal. I needed Peter Cook to be a Member of Conservative Libertarians (UK) to progress the attempt by the United Kingdom to Rejoin the European Union; as set out in the link: <https://www.theconservativelibertariansociety.com/post/18-march-2025-modus-operandi-of-conservative-libertarians>

I can understand your concern. I'm sorry that you had to contact us about this issue.

If we unsubscribe you, then you will be unsubscribed from all marketing emails. Would you like me to do that?

Once a refund is issued it cannot be reversed. Can you confirm that you would like a refund for your donation of 25 - GBP along with the tip of 3.5 - GBP made to the following fundraiser?
<https://www.gofundme.com/f/get-brex-it-gone>

With your confirmation, I can issue that refund for you, and you will receive 100% of your money back within 3-7 business days. The organizer will receive a message to let them know about the refund.

I will keep an eye out for your response.
